

Schonell Access App Instructions for Residents

Step 1:

Download the Schonell Access app

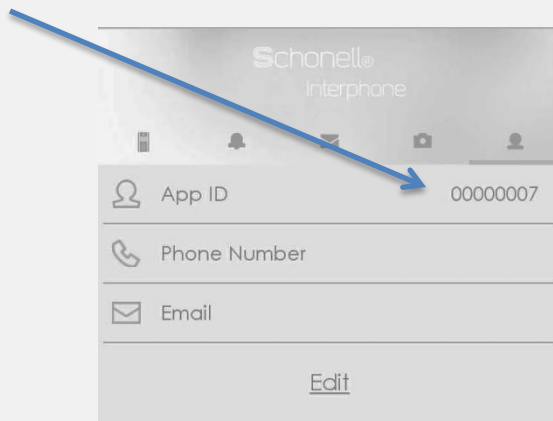

Step 2:

Create an account (free) with a valid email address

Verify the activation email.

Sign in and your 8 digit **App ID** can be found on the last tab.

Step 3: Submit your app ID to building management.

*After you are programmed, you should see connected devices on the app.

*To grant access, simply tap on the interphone icon and press "open door"

*Your device will need a valid internet connection in order to grant access

*Kindly note that this is not a full replacement for your access card
